RE: 2005 Angels Fest Event

Once again, Show Biz Productions has proven to be a valuable business partner of Angels Baseball. The success of our second Angels Fest event can be directly attributed to the professionalism and organization of the Show Biz Production staff. All of your staff has been of great service with both the sales and overall event management of our annual kickoff to another exciting season of Angels Baseball.

For the past two years, the Show Biz Production management team and staff members have played a major role in making Angels Fest very successful and enjoyable for our fans. The facilities management aspects of the event, including tents, restrooms and layout design, exceeded the expectations of Angels Baseball management and our guests.

Angels Baseball is extremely thankful for all of your efforts over the past two years. We look forward to continuing to grow Angels Fest in the years to come. With the help of Show Biz Productions, I know that we can *hit another one out of the park!*

Sincerely,

John Drum
Director, Ballpark Operations
